

Edno Mi

// S ochi me palish
S rütse me galish
Samo kazhi mi
Iskash li edno mi?//

With your eyes you fire me up
With your hands you fancy me
Just tell me
Do you want one from me?

Chorus:

//Edno chuh, edno svih
Edn(i) ochi
No po dobre edno mi//

I heard one, I played one
Those eyes
But better, one from me

//Da te süblicham
Taka obicham
Samo kazhi mi
Iskash li edno mi?//

To undress you
That's how I love (you)
Just tell me
Do you want one from me?
