“Embate Aghoria Sto Horo”

Embate agho- aghoria sto horo
Embate aghoria sto horo
Koritsia sta traghoudhia x2

Na edhite ke, more ke na mathete
Na edhite ke na mathete
Pos pianete i aghapi x2

Apo ta ma, ta matia pianete x2
Apo to matia pianete
sta hili kateveni x2

Ki'apo ta hi-, ta hili sti kardhia
Ki'apo ta hili sti kardhia
Rizoni ke dhe vgheni x2

Boys, join the dance
Girls, join the singing

So you can see and learn
How love is captured

It takes hold by the eyes
And lowers to the lips

And from the lips to the heart
It takes root and does not leave
