

Fato Mori Dušmanke

Zbog tebe noćima ne spavam

I čaše vina ispijam

aj, Fato, mori dušmanke

lele dušmanke

Volim te, volim jedina

jer ti si moja sudbina

aj, Fato mori dušmanke

lele dushmanke

A tvoje usne najsladje

za mene puste ostaće

aj, Fato mori dušmanke

lele dušmanke

Because of you, I cannot sleep at night

And I drink glass after glass of wine

Aj, Fata, my enemy

I love you, I love only you

Because you are my destiny

Aj, Fata, my enemy

Your lips are the sweetest

Emptiness remains with me

Aj, Fata, my enemy
