

OREH SE S LISTE RAZLIVA

as sung by Angel Koev, Pazardjik

Oreh se s liste razliva Mircho le, mlada vojvodo Razliva raz-zelenyava Mircho le, mlada vojvodo	The green oak tree overflows Mircho, young commander and breaks out in young green leaves
Pod oreha mi sedeha Mircho le, mlada vojvodo Terzie mladi zlatari Mircho le, mlada vojvodo	Underneath the oak tree sit some tailors and young goldsmiths
Terzie sedla shieha Mircho le, mlada vojvodo Zlatari juzdi leeha Mircho le, mlada vojvodo	The tailors are sewing saddles and the goldsmiths are casting bridle parts
Tezarale* che kaneha Mircho le, mlada vojvodo dalek za moma da idat Mircho le, mlada vojvodo	So it's <i>now</i> that they just decided to go so far away to fetch a bride!!
Dalek za moma da idat Mircho le, mlada vojvodo za taja Elka hubava Mircho le, mlada vojvodo	To go so far away to fetch a bride --for the beautiful Elka!
Koga za Elka trŭgnaha Mircho le, mlada vojvodo Vishni chereshi tsŭftyaha Mircho le, mlada vojvodo	When they set out to go to get Elka the cherry trees had just begun to bloom
Koga se nazad vŭrnaha Mircho le, mlada vojvodo Vishni chereshi beryaha Mircho le, mlada vojvodo	But by the time they returned the cherries were already ripe and being picked.

*te sega le se kaneha (alternate text)
