—Jump up and let's dance together (literally: hop and stamp), Kalinka, and let those who are against us burst with jealousy. —Oh, young man, how can I dance when my mother is watching us from over there? Let her watch—she's your mother and my future mother-in-law! —Jump up and let's dance together, Kalinka... —Oh, young man, how can I dance when my father is watching us from over there? —Let your father watch. He's your father and my future father-in-law!
