

## Romani Čhaj Amari

// Na dikhljum tut e rati                    I didn't see you last night  
Na mangav ni avdive                        I don't want to see you today  
Palo trin, štar, panč, šov dive            In 3, 4, 5, 6 days  
Ka bistrav tut me //                        I'll forget about you

//Romani, Romani, Romani čhaj amari    Our Romani girl  
Romani, Romani, Romani čhaj but šuži //    She is very beautiful

Džanav kaj ole mange                        I know you love him (another man)  
Kaj oleske ka mere                         You would die for him  
Palo trin, štar, panč, šov dive            In 3, 4, 5, 6 days  
Ka bistrav tut me //                        I'll forget about you

//Romani, Romani, Romani čhaj amari    Our Romani girl  
Romani, Romani, Romani čhaj but šuži //    She is very beautiful
