

## Zembekiko - "Sokiani"

Aman aman, Sokiani, Aman aman, Sokiani  
Aman aman, Sokiani, mena i kardhoula mou ponei

Etsi to apefasissa, etsi to apefassisa  
Etsi to ape fassisa, ke etsi tha to kamo

Tha pino ke tha traghoudo, tha pino ke tha traghoudo  
Tha pino ke tha traghoudo, oso pou na pothano

Kalogheraki tha ghenos, kalogheraki tha ghenos,  
kalogheraki tha ghenos, to mavra na foresos

Afou dhen ta katafera, afou dhen to katafera  
afou dhen ta katafera, sti p'aghapo na areso

Aman Sokiani, my heart hearts  
So I decided, and that is how I will do it  
I will drink and sing, until I die  
I will become a monk, to wear black  
Because I was not able to succeed, to be wanted by the one I love
