

Ta chuli li ste ne li ste

1. Ta chuli li ste ne li ste, mŭri,
kakvo e novo stanalo/2
v Shiroka Loka golema?
2. Rada s Todora izbega, mŭri,
vŭv Karlŭk chuka leshkovka.
Maika hi is pot vorveshe, mŭri,
i si na Rada dumashe:
3. Vorni sa, vorni, doshterku, mŭri,
bubaiko ti sa razbole/2
i ie shta bolna da legna.
4. Idi si, maicho, idi si mŭri,
ie s tebe nema da doida.
Litsenu mi e liubeno, mŭri,
snashkana mi e korshena.

Hey everyone, did you hear what just happened in Shiroka Lŭka village? Rada ran off with Todor up to the forested rocky peak of Karlŭk. Her mother went on the trail to find her, and said to Rada, "Come back home, daughter! Your dad fell ill and so will I [from shame]." "Go home, mother, I'm not coming with you. My face has been kissed and my body has been embraced."
